Audience Influence Affluence

25-55

Our community spans multiple generations with young entrepreneurs, seasoned professionals and women pivoting in business ownership.

75k-500k+

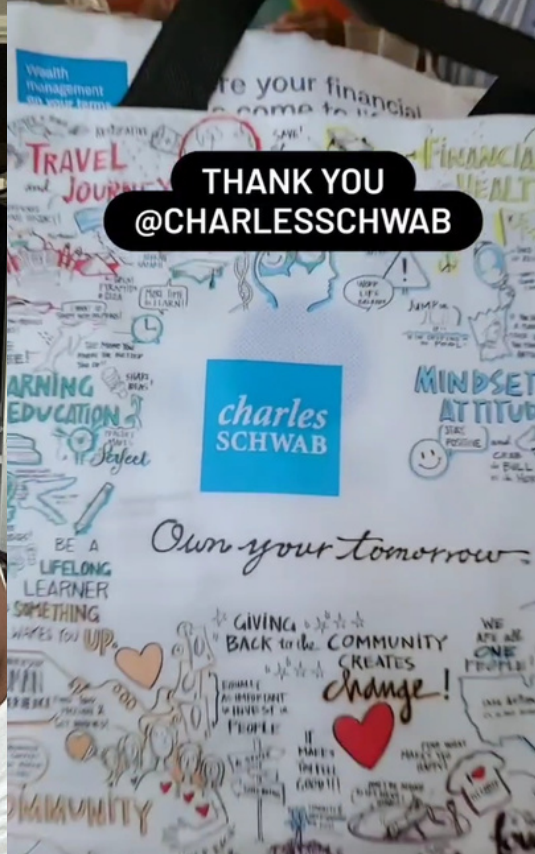

Members and attendees represent diverse financial brackets and household incomes, from early-stage entrepreneurs to established business owners with significant assets.

70%

Our community is powered by women of color, with strong representation from black and brown female entrepreneurs, executives and community leaders who drive local innovation and growth.

350k +

Through the combined power of Boss Babes' platforms, member brands, and event activations, our network generates an average of 500,000+ monthly impressions across social media and community engagement.

**Connection with
like-minded women
creates unstoppable
growth.**

**When powerful women
gather, the table is
always full — with
purpose, passion, and
unforgettable flavors.**

**Behind every successful
event is a team of women
who move with purpose,
passion, and precision.**
